## What is Yorkie\*Fair

Yorkie\*Fair is a dog friendly event coordinated by local Red Cross volunteers and friends who love their Yorkshire Terriers and their Wannabe Friends. It celebrates the Yorkie-Wannabe-Owner bond by providing a day and night of festivities with grand and glorious Yorkie flare.

**Last year's event raised over \$ 1200 for the American Red Cross!**

Yorkie\*Fair needs your help to underwrite expenses. Four levels of support are defined below:

1. **TOP DOGS (\$150).** Those who clearly understand that supporting the American Red Cross mission is essential.

2. **BEST FRIENDS (\$100).** Those who support the hundreds of American Red Cross volunteers who respond to the needs of the community each and every day.

3. **TAIL WAGGERS (\$50).** Those who know that emergency preparedness programs prepare the community for tomorrow's disasters.

4. **LAP WARMERS (\$Donation).** Those who know and love animals that warm our hearts and are willing to help them be sheltered and fed in times of need and disaster.

Your sponsorship helps ensure that expenses of the event are covered and that **100% of all of the money** raised through Yorkie\*Fair will go directly to the American Red Cross for local emergency disaster relief services, emergency military communications, and educational programs that teach all ages how to "Be Red Cross Ready" (this includes Pet First Aid).

**Won't you consider a sponsorship to guarantee that this year's event is a success?**
